Notes to Financial Statements

1. Nature of Activities and Significant Accounting Policies

Nature of Activities

The LSU at Alexandria Foundation, Inc. is a nonprofit corporation formed to promote the educational and cultural welfare of Louisiana State University at Alexandria, Louisiana, by accepting gifts for the purpose of providing scholarships, aiding research, and such other designated projects for the benefit of the University.

Significant Accounting Policies

The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Basis of Accounting

The financial statements of LSU at Alexandria Foundation, Inc. have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The accompanying financial statements of LSU at Alexandria Foundation, Inc. have been prepared in accordance with accounting principles generally accepted in the United States of America.

Financial statement presentation follows the recommendation of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the LSU at Alexandria Foundation, Inc. is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Promises to Give

Unconditional promises to give are recognized as revenue in the period received, and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Promises to give are recorded at net realizable value if they are expected to be collected in one year and at fair value if they are expected to be collected in more than one year. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions.

LSU at Alexandria Foundation, Inc.
June 30, 2005

Notes to Financial Statements

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Investments

Investments consist of amounts held by the LSU Foundation on behalf of the LSU at Alexandria Foundation, Inc. The Foundation carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. *Unrealized gains and losses are included in the change in net assets in the statement of activities.*

Donated Services

No amounts have been reflected in the financial statements for donated services. The Foundation pays for most services requiring specific expertise. However, individuals volunteer their time and perform a variety of tasks that assist the Foundation with specific programs.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Pledges Receivable

Less: allowance for uncollectible pledges receivable	(4,891)
Net pledges receivable	\$ 6,589

8. Commitments, Contingencies, and Subsequent Events

Grants, bequests, and endowments require the fulfillment of certain conditions as set forth in the instrument. *Failure to fulfill the conditions, or in the case of endowments, failure to continue to fulfill them, could result in the return of the funds to grantors. Although that is a possibility, the Board deems the contingency remote, since by accepting the grants and their terms, it has accommodated the objectives of the organization to the provisions of the grant.*
